# DIRECTIONS:

## Manor Farm, 210 Manor Rd, Huntington

Take Northern State Parkway to exit 42 north (south is Rt 231). Get IMMEDIATELY into the left lane because you want to take the left fork onto Deer Park Rd. This will narrow down to one lane. Make a right at the light onto Old Country Rd. Get into the left turn lane so you can make a left turn (west) just ahead at the light where Old Country Rd ends at Jericho Turnpike. IMMEDIATELY get into the right lane so you can make an almost immediate right (north) at the light onto Manor Road. The entrance to Manor Farm is on the right just after the blinking red light and stop sign.

**From the south:** Take Deer Park Ave (Rt 231) north. Just after Northern State Parkway, be sure to be in the left lane to take the left fork. See directions above.

**From Huntington:** Go south on Park Ave. Turn left onto Little Plains Road (south of Pulaski). Turn right at the 2nd light onto Manor Road. Watch for an open field on the left. The entrance is on the left just before the blinking red light.

**From Jericho Tpk:** Manor Road is opposite the Dix Hills Pathmark shopping center. There is a Jaguar dealer on the northwest corner and a strip of 4 stores (including a pizza place and Green Cactus) on the northeast corner.

# Community Yard Sale

We would like you to join us in this great way to get rid of items no longer needed while raising some extra cash. Not only would you be helping the earth by reducing how much we throw away, but you would be helping us achieve our educational mission as well! For a $20 donation, you can participate in the yard sale with a 10' by 10' portion of the field to sell your own no-longer wanted household items. Bring your own tables. We'll take care of 10' by 10' yard placements, parking and traffic management, and advertising. Space reservation forms can be downloaded from our website or call and ask for one.
