

SUMMER READERS 2018

Dear Families:

The children's librarians at the **DIX HILLS** and **MELVILLE** community libraries are eager to help readers make book selections. They have received our suggestions. Please don't hesitate to ask them for additional recommendations to match your child's interests.

Our book lists have been delivered to several local bookstores, as well. If you wish to purchase books, **The Book Revue** on New York Avenue in Huntington will offer a 10% discount when you mention that your book purchase is for the Half Hollow Hills **Summer Readers** program.

Happy Reading!!
